- ***British Investments Insurance Scheme has come into Operation***
- The Export Credit Guarantee Department of Great Britain has put into effect the scheme of British investments insurance in Georgia.
- According to the information of the Ministry of Foreign Affairs of Georgia as a consequence of commencement of the investments insurance scheme in Georgia the market risk level has been defined between 25-50 million pounds.
- The special insurance scheme will mainly cover viable and profit-making enterprises and international currency transactions
- “The said decision will serve as an efficient ground for attracting British investments to Georgia and will serve as an incentive for the further development of trade and economic relations”, was noted in the Ministry of Foreign Affairs.
